

**Dear Irfan,**

We are pleased to offer you the position of Sr. Web Developer at DevCrew. As discussed we would be looking forward to your joining on Monday the **15th of November 2021**.

Your role would include but not be limited to the following tasks:

- Create web applications that address the phases of SDLC (software development life cycle)
- Database Design and Application Architecture Development
- Update existing web applications to meet the security and functionality standards as outlined in the company's website policies.

We would be offering you an initial package of PKR 50,000, with a probation period of 3 months.

Looking forward to your formal acceptance.

**Thanks & Regards,**
